Guest Speaker

We are excited to welcome guest speaker Brendan McKenna, COO of JUCY Group presenting on the future of the working holiday maker in regional Australia.

Brendan will amaze you with his knowledge, past data and future research on the much-missed working holiday makers. He'll give first-hand advice on how to attract and how to keep these travellers in region.

This will be great for businesses in the Lockyer Valley in tourism, hospitality and the agricultural sectors.

Come along to listen, learn and ask those tricky questions. Brendan has close to 30 years' experience as a leader in the Hospitality and Tourism Industry.

JUCY is one of Australasia's leading and fastest growing independent tourism brands in AU/NZ. Renowned for its leading-edge, affordable compact campervans and car rentals, as well as a strong brand and social media presence.

We look forward to catching up with you!
